2. M/Hanson, S/Carr- Carried to approve Handley funding request for the remainder of 2026 in the amount of \$72,917.

Discussion was held among the Mayor, Commissioners, and meeting attendees regarding the Handley Center. Mayor Heupel stated that discussions about the Handley Center have been ongoing for over a year and expressed uncertainty about what would change within the next six months to make the city comfortable with taking over the facility. Darla Auld stated that she would like assurance that private documents remain confidential and requested clarification on several items. Mayor Heupel responded that no records would be taken from the Handley Center and noted that her questions had been addressed previously. Mayor Heupel asked whether the Handley Center had any other funding sources available. Darla Auld replied that they had been operating under the assumption that the city would have taken over the facility by this time.

Commissioner Thomas stated that the Handley Center was aware that its funding would end and had not sought alternative funding sources. He indicated that he was not in favor of the request. Mayor Heupel asked how the existing loan would be paid if the city were to take over the Handley Center. Darla Auld responded that the loan would have been paid off using proceeds from the Basketball Tournament. Commissioner Hanson moved to amend her motion to table the funding request until current financial statements and a revised funding request for the remainder of the year are received. Commissioner Carr seconded the amended motion. Those voting Aye: Commissioners Hanson and Carr. Those voting Nay: Mayor Heupel, Commissioners Thomas and Rohrer. Motion failed.
