

City of Lead Sponsorship

**Honorable City Commission
City of Lead, SD**

Thank you for your continued support with Dakota Resources over the years through your Economic Development Organization. Our partnership has provided an opportunity to bring capacity building to individuals and your community.

We humbly and gratefully request a vitality sponsorship for the Learning Network in person gathering on November 13 & 14, 2024 in the Lead / Deadwood area focusing on 'Housing'. We ask that you consider being a *Gathering Sponsor* for this event at a \$2,500 partner level.

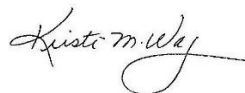

Below is what Dakota Resources is offering as the Gathering Sponsor:

- Receive up to 2 tickets for the entire two-day event
- Promotion as our partner throughout the two-day event and promotion leading up to the event – with the ***City of Lead*** Logo on ALL printed and electronic promotions.
- Be recognized as a partner on the final harvest document
- Invite an additional 6 organizational representatives to the evening meal

We have done a lot of work over the years in Housing. We hope to bring community and economic development leaders from across the State of SD to showcase the good work that your community has accomplished and what you have planned for the future. We have planned time in our agenda to visit the Lead community with a guided tour led by Emma Garvin, your Economic Development Professional.

Thank you again for your continued support in our work. You can reach me on my cell anytime at 605-645-8788.

To the future of rural,

Kristi Wagner
Director of Organization Relations
Community Coach
