Facebook Live

Sarah will host live Facebook broadcasts on either her page or the City of Lead's page during city events, sharing exclusive updates and behind-the-scenes insights. She may also interview key participants, offering a unique perspective on the community and the spirit of the event.

Facebook Reel

Sarah will create engaging Facebook Reels during city events, capturing highlights and unique moments in short, dynamic videos. She'll showcase the energy and excitement of the event, with quick interviews and behind-the-scenes snippets that bring the community spirit to life.

Photo and Video Content Creation

During the event, Sarah will capture high-quality photos and videos, highlighting key moments and the vibrant atmosphere. She'll provide these visuals to the city, offering a valuable resource to use in future promotions and community outreach.

Emcee

Sarah can serve as the emcee for city events, guiding the audience through the program with energy and professionalism. She'll ensure a smooth flow of activities, engage with attendees, and add a personal touch that enhances the overall experience.
