

ENGINEER'S REPORT

City of Lead
Commission Meeting
October 21, 2024

Deadwood Water Supply Line Replacement

- Checked in with City of Deadwood regarding the valve discussion at the tank. Currently, waiting for a response from them.
- Project went out for advertisement on October 15, 2024.
- We have received six inquiries from various contractors.
- The bids will be opened November 4, 2024, at 3:00 pm.
- Bid results and recommendations will be provided at the Commission meeting that evening.

Facilities Plan Update

- Interstate Engineering is finalizing a scope to present to staff.
- Interstate Engineering will set up a time prior to the November 4, 2024 Commission meeting to narrow down scope.
