Paving	2" mat on milled areas - See notes below regarding the partnership between the city of Lead and Johner paving to complete the paving as described	694	Ton	\$115.00	\$79,810.00
Tack		2.63	Ton	\$1,200.00	\$3,156.00
Mobilization	Milling and Paving Mobilization	1	LS	\$5,500.00	\$5,500.00
Total					\$96,849.04

**This project would be a joint project with the city of Lead and Jason Bauernfeind. Johner Paving will provide a milling subcontractor. The city of Lead will collect and haul the millings to their designated site. Johner Paving and the city of Lead will partner on the cleanup and sweeping of the milled roads to prepare for Tack oil placement. Johner Paving will provide the tack oil placement. Johner paving will pave a 2" asphalt mat on the streets of the project.**

**On 1<sup>st</sup> Street, Johner paving will haul the asphalt directly to the paver and may need assistance from the city of Lead to load the paver with a front end loader/operator on areas where a truck would not be feasible.**

**On Dwight, Johner paving will haul the asphalt to a designated area on Ridge Road and dump it on the ground. The city of Lead will provide a front end loader/operator (and potentially a skidsteer/operator) to feed the paver for the entire length of Dwight Street from Ridge Road to Forest Ave.**
